Tiered Pricing Summer 2010: YMCA Camp Roger realizes that families have differing abilities to pay and has introduced a voluntary tiered pricing program to enable all families the opportunity for a quality camp experience for their children. This program is **voluntary**, requires no paperwork, and **in no way influences the experience your child receives**. Simply choose the rate that is appropriate for your family.

Tier A is based on the full cost of a child participating in camp programs. This rate reflects the actual cost of attending one week of camp.

Tier B is a partially subsidized rate to help families that cannot afford the full cost of the camp program.

Tier C is a heavily subsidized rate for families who need further assistance. This rate is made possible by contributed income and does not reflect the true cost of a camper attending camp.

Tier D is a variable rate, made possible by donations to the YMCA for families who have need for financial assistance. To apply, please visit our website www.YMCACampRoger.org or contact the office at (801) 466-6299.

Scholarship Fund: In 2009 over 70 campers received assistance to attend YMCA Camp Roger. Please consider making a contribution to help send another camper this summer.
