

# **WHAT TO PACK - Traditional Camp**

Remember, all campers need to pack for one week worth of camp!

- This is a basic list of items to bring to camp. Use your own judgment on quantity.
- When packing for camp, please remember that Camp Roger is a rustic camp located in the mountains, where days are hot and nights are cool, all summer long. **A water bottle and layers are necessary.**
- Camp Roger provides plenty of opportunities to get dirty. **We encourage you to pack old clothes.**
- Long pants and closed toe shoes are required for horseback riding. Campers *cannot* ride in shorts and/or sandals
- REMEMBER, it is important that your child knows what they are bringing to camp. You should take the opportunity to pack with your child so they can see what they have and know where to find it. Please make sure to label all items with your child's name and check lost and found upon departure. Camp will not be responsible for lost or broken items.
- If the camper is a bed wetter, please send extra sheets and blankets. Parents should speak with the cabin counselor regarding any possible bed wetting or sleep walking problems.
- Personal hygiene, applying bug spray and sun block is camper's own responsibility.
- All clothing should be appropriately modest and not reference drugs, alcohol, sex, or profanity.

- If any of the above items are found at camp, we will collect, label, and store them until they can be given to a parent/guardian at the conclusion of the week.
- If any guns, explosives or illegal items are found, the item(s) will be confiscated, the proper authorities notified, and the camper may be sent home.
- Please do not bring food or candy. If you chose to send food items because your child has dietary needs, please label all items and give them to the camp nurse at check-in.
